BC Regional Braille Challenge
Foundational
Reading Comprehension (Matching)
Form 1 - Uncontracted

Time limit: 30 minutes.

To the student: "For each sheet of words, there is a stack of cards. Read the word on the card and find the card that matches that word. Place the correct word card to the right of the word on the sheet. Do this for as many sheets as you can."

Check the box next to any words that the student needed assistance with.
